

AUSTRALIAN **Handyman**

We show you how!

In the July/August 2008 issue of *Handyman*, we showed you how to build a stylish dressing table. Here are the tools and materials you'll need for the job.

Mirrored dressing table

TOOL LIST

- Pencil
- Cordless or power drill
- Drill bit, 3mm
- Countersinking or combination bit
- Tape measure
- Circular saw (if cutting MDF)
- Caulking gun
